hope

## Support. Education. Advocacy.

Raising funds to ensure every individual can assess, manage  
and reduce their risk of breast and ovarian cancer.

[pinkhope.org.au](https://pinkhope.org.au)

Provide **tools and information** to help all women assess their risk of breast and ovarian cancer.

Work **collaboratively with innovative research teams** to help change the future for the next generation at risk of breast and ovarian cancer.

Encourage at-risk women **to be vigilant and proactive** with their breast and ovarian health.

*“Pink Hope has changed my outlook, my life and my families future.”*

- Monique, diagnosed with breast cancer at 27.

*“Three generations of my family have access to life-saving information and resources because of Pink Hope.”*

- Kathy, diagnosed with ovarian cancer at 76.

*“Pink Hope teach Australians to be aware of the changes in their bodies. Because the key to a good prognosis is early detection.”*

- Scott, diagnosed with bilateral breast cancer at 52.
